KIPP NYC COLLEGE PREP

25-26 CPHS STUDENT CLUBS & ORGANIZATIONS

Name	Description
African Student Association	The essential aim of the African Student Association (ASA) would be to create an uplifting community for the African students at CPHS and build unity amongst the African community at KIPP. This association would serve us as a platform to showcase and celebrate our rich culture through organized events, topic discussions, and dance performances.
Arts Squad	Are you creative? Interested in drawing? Want to grow your art talent? Check out this club!
Boxing Club	Want to build your strength and release your stress? Join our Boxing Club!
Crochet Club	This club will provide a fun opportunity for students to learn how to crochet and strengthen their skills if they have experience! We look forward to welcoming you to our Crochet Club!
Cupcake Decorating Club	This is the perfect club for students who are interested in learning how to decorate cake and cupcakes like the professionals. We welcome all levels of decorating expertise from beginners to experienced.
Debate Team	We are a community of critical thinkers who enjoy exploring the important topics impacting our city, country, and planet. Students analyze both sides of an issue and grow as speakers and thinkers.
Dungeons & Dragons Club	This club provides a great opportunity for the creative minds at Kipp to engage in creative storytelling. Our weekly meetings will allow students to create a character and solve problems with their peers all while telling a story that engages their imagination.
Endless Video Game Design	1) Learn the skills of game making and work in a collaborative, team-based environment to build your own games. 2) Explore concepts like narrative, storytelling, art, & project management. 3) Build a personal project to add to your portfolio! 4) Visits from professional instructors and mentors, early access to Endstar-Endless Studios' game-making tool.
Evergreen Club	Our first purpose is to learn and work to make KIPP and our community more environmentally friendly and sustainable. Our second purpose is to enrich our lives and mental health through growing and taking care of plants as well as beautifying our personal spaces at home and school.
Film Club	This club provides an environment to explore your passion for photography and video production, using our community around us and our high-quality cameras to bring out the creativity that lies within us all.
Gender & Sexuality Alliance	Our Mission is to start conversations about the ongoing struggles of members in the LGBTQ+ community. We are determined to create a safe place in the community for students in the LGBTQ+ community & allies, where they can express themselves freely and just have fun.
KIPP eSports Team	Join our competitive eSports Team to participate in fun tournaments! Why join? Top tier colleges recruiting upcoming talent to their college eSports teams!
Muslim Student Association	We will educate the student population on Islam and provide a safe space for those practicing or interested in learning more.

KIPP NYC COLLEGE PREP

25-26 CPHS STUDENT CLUBS & ORGANIZATIONS

Name	Description
Otaku Club	We are free-spirited individuals who come together and celebrate our limitless love and passion for Japanese culture.
Podcast Club	This club provides the opportunity for students to produce, record and publish podcasts. The students may create their own podcasts for their own social media platforms. If the content requirements are met, the students may be able to publish their podcast on the school website.
R.A.L.P.H. L.U.K. Fraternity	We are dedicated to developing young men that will become successful people in the future to influence them into becoming successful through the use of comradery and service to others, as young men are introduced into the challenges of life and learn how to break through the barriers of oppression in place by society.
Stompdollz	Stompdollz is a dynamic high energy group mainly known for their vibrant performances that blend elements of dance step and cheer.
Student Ambassadors	As a Student Ambassador, you will represent our school on various platforms, including parent panels, press engagements, and school events. This role is an excellent opportunity to develop leadership skills, engage with our school community, and make a positive impact.
Student Council	This is a committee for students by students. We are dedicated to centering the voices and experiences of the student body to influence change in school policy and bring joy to our community. We will work closely with our high school's student government.
The Thread Society	The thread society is a club where people come to either crochet or knit. This club is intended to be a safe space,and community for people to come together with a common interest and to further develop their skills in their preferred hobby.
Xtreme Heat Step Team	X-treme Heat Step Team is a dance team for all grades and genders who come together to create and choreograph step performances for CPHS community events like athletic games & cultural celebrations.
